MAY 1, 2013

UNEVENTFUL.... People have been asking us how our trip is going and if we have had problems with the van... and our new word is uneventful until Today, we found a small gas leak... will be having it looked at in St. Louis... Keep your prayers coming!

First stop to see the grandkids... then on to the ARC Conference...

Now we head to Missouri for the month of May!! We would love to see everyone we know... but unless you call us we can't... so CALL!! ☺

We have 8 more weeks of travel in the USA... IN, IL, MO, GA, FL, AL and TX before we get back to Mexico to start the VBS season... The trailer is starting to fill up but there is still some things we need to get. If you are interested in helping in that way check out the webpage Shopping list.

Your prayers are important to us as we travel...and we so appreciate you for taking the time to send them heaven ward.

## Prayer request!!!

1. Travel mercies.
2. Health.
3. Increase in funds.
4. Rest.

Until next month...  
Keep C.O.O.L.
